(Fixture) Purple → Dim+ (If required)

(Fixture) Grey → Dim- (If required)

UNPACKING

- This luminaire has been properly packaged so that no damage shall occur during transportation.
- Inspect and confirm.

INSTALLATION FOR TOP FIXTURE

- Remove the two pan head screws #8-32 x 1/2" and the pole cap located on top of pole. **Fig. 1**
- Remove the four flat head screws #6-32 x 1/2" and the aluminum cover located on the fixture. **Fig. 2**
- Align the fixture mount with the pole's drilling pattern and secure it with two 1/2-13 bolts with sealing washer and the nut plate. Tighten to 30 lb-ft. **Fig. 3**
- Feed wire from fixture into the pole and make the corresponding electrical connections.
- Finally place again the fixture cover and the pole cap. Tighten to 12 lbs-in. **Fig. 4**

NOTES:

Not to scale, for reference only.

Luminaire model or components can vary.
