

VSC Conduit Box Installation Instruction

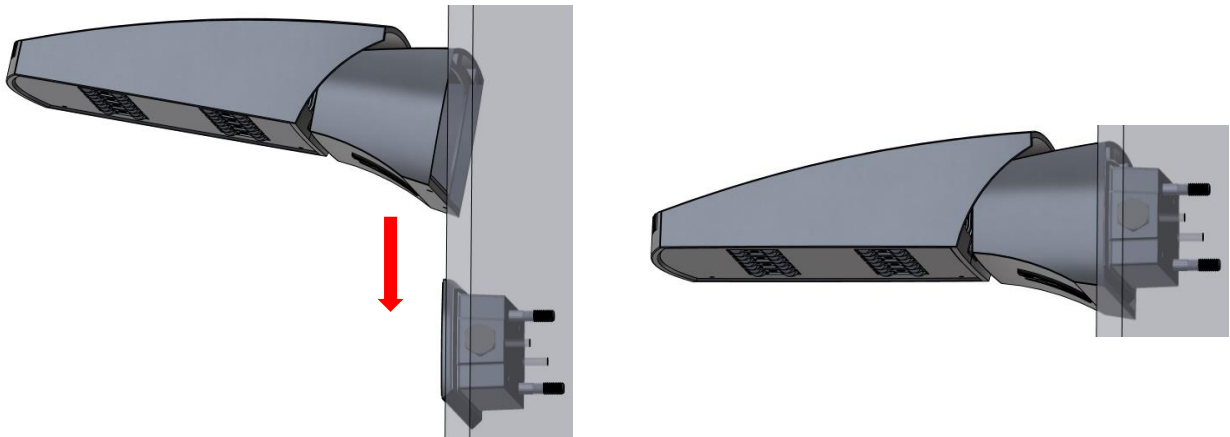

1. Use wall mount plate template to drill (2x) provisions in any of the (4x) guides marked in the wall mount, to install (2x) threaded studs (not included).

2. Attach wall mount plate to wall with (2x) hex nuts and washers (not included).

3. Slide luminaire into the wall mount plate.

4. Fasten (2x) set screw to secure luminaire to the wall mount plate.
