

VOKEY
A R C H L I N E

VKA

Sleek linear lighting designed for modern architectural places.

- 3 SIZES
- 27K-5K
- 70, 80 & 90 CRI
- 19 OPTICS
- 32K+ LUMENS
- 9 FINISHES
- LINEAR DESIGN
- DARK SKY COMP.
- TITLE-24 COMP.

HEATSINK

Optimied heat dissipation for improved efficiency and extended LED lifespan

HOUSING

4" X 8" Extruded aluminium body

OPTICS

19 Precision optics for controlled light distribution.

KEY FEATURES

- High-output LED modules engineered for optimal lumen performance and efficiency.
- Advanced optical system providing precise light distribution and reduced glare.
- Extruded aluminum housing for superior durability and thermal management.
- Designed for demanding architectural enviroments with long-lasting reliability.

Optional VKA-1 Wall Mount
