

VOKEY
ARCHLINE

VKB

Sleek bollard lighting designed for modern architectural places.

- 27K-5K
- 70, 80, or 90 CRI
- 10 OPTICS
- UP TO 60W
- 9 FINISHES
- DARK SKY COMP.
- MULTIPLE HEIGHTS
- DURABLE ALUMINIUM CONSTRUCTION

INTERNAL HEATSINK
Optimized heat dissipation for improved efficiency and extended LED lifespan

4" X 8" HOUSING
Extruded aluminium body

10 OPTICS
Precision optics for controlled light distribution.

VKB KEY FEATURES

- High performance LED system delivering efficient and uniform illumination.
- Precision optical distributions for enhanced lighting control.
- Extruded aluminum construction for durability and weather resistance.
- Advanced thermal management for long-term reliability.
